*Vallianatos winery, Kefalonia, Thinia*  
*NATURAL WINE COLLECTION*

Vallianatos winery is based in Kefalonia and is owned by our chef patron, Asimakis Chaniotis Vallianatos . He makes his wine using traditional methods such as foot treading. The wines are low intervention, natural and made with natural yeast.

**Mavrodaphne 70% - Araklino 15% - Korfiatiko 15% 'Aposperitis', Thiniatiko, Kefalonia, Greece 2022**

**88**

Thiniatiko is a wine made in the village of Thinia for centuries and legend has it that the wine was travelling from Thinia to the Ottoman empire in casks from the little port of St. Sotiras Bay.

Mavrodaphne grapes are fully matured on harvest however Araklino and Korfiatiko are not and that's what gives the wine its unique character and balance.

Juice is extracted by foot treading, then it stays on skins for 72 hours, before free run juice is collected and fermented in new French oak barrels for 11 months. Wine is unfinned and unfiltered before bottling.

BOTTLE

**Mavrodaphne 100% 'Gran Grou', Kefalonia, 2023**

**86**

This is a 100% Mavrodaphne made using local clone unique to the island. It has a touch of sweetness as it is made by adding Mavrodaphne distilled wine before fermentation is completed - this stops fermentation while some sugars remain unfermented. Wine is kept in new French oak barrels for 11 months before bottling.

Juice is extracted by foot treading, it then stays on skins for 72 hours, before free run juice is collected and fermented in new French oak barrels for 11 months. Wine is unfinned and unfiltered before bottling.
